

Shearith Israel

TODDLER PROGRAM

CURRICULUM

FALL SEMESTER

September

- High Holidays
- Primary and secondary colors

October

- Numbers- so many things to count

November

- Shapes: circles, rectangles, and triangles too!

December

- Hanukkah
- Snowballs, Snowflakes and Snowmen!

SPRING SEMESTER

January

- Review of Fall Semester: let's not forget those colors, numbers, or shapes
- Parts of the body- head, shoulders, knees and toes, knees and toes...

February

- Alphabet: learn the letters in your name and soon you'll be reading Tolstoy

March

- Fine motor skills- improve your manual dexterity with manipulatives
- Purim
- Show and Tell Month

April

- Gross motor skills- navigate the bigger toys
- Size- big, small and in between
- Opposites
- Pesah

May

- Celebrating Israel
- Mother's Day
- Gearing up for Graduation: make your caps, hand-print diplomas, party bags and collage

June

- Father's Day
- Graduation!
