Dear Mrs. Edinger ליי"ט,

It was our recent pleasure, on April 11, 2018, to listen to your expert presentation about the Spanish-Portuguese Synagogue and the history of early Jewish settlement in New York City.

Our Bais Kaila High School students were very excited to learn about the appurtenances of the shul itself and the history of the architecture and the décor. On the bus back to New Jersey they were marveling about the beauty of the *Beit Kneset* and how inspiring it would be to daven in such lovely surroundings.

Thank you very much for enriching our appreciation of Jewish history.

Sincerely,  
Mrs. Jaffe and Mrs. Weitzner
