NEXT WEEK

Third Annual Smash The Stigma Event *Presented by Shearith Israel's Caring Connection*

THIS Sunday, May 2 | 7:00 pm | On Zoom

Two years ago, in recognition of Mental Health Awareness Month, we hosted a profoundly important and extremely well-received Smash the Stigma event, in which we opened a conversation on suicide and depression in the Jewish community. We continued that conversation last year over Zoom to another wide audience. This year, when mental health issues are compounded by COVID-19 and awareness is more important than ever, we will host our third installment.

THIS YEAR'S PANEL:

Rachel Kunstadt

struggled with severe depression and agoraphobia in her teens, and now uses her experience to inform her artistic work

Eta Krasna Levenson

will share her experience and lessons of losing a child to suicide

Dr. Rachel Levine

a clinical psychologist, will discuss the toll this pandemic has taken on our mental health and offer practical advice

The panel will be moderated by **Clara Kiely** of NAMI NYC: National Alliance on Mental Illness.
To register, visit shearithisrael.org/smash-the-stigma2021.
