Three Weeks Film Screening: “More Precious Than Pearls”
A film by Shearith Israel member, Robert “Naftali” Friedman
Wednesday, July 31 | 7:15 pm
Faith after the Holocaust is a theme that is rarely touched upon in Holocaust-related documentaries, let alone examined deeply. In this film, Shearith Israel member Naftali Friedman attempts to explore these ideas through the life of his father, Alex Friedman, a survivor of Nazi concentration camps. The film examines how Alex succeeded in achieving self-renewal as a human being and as a committed Jew, without forgetting the vivid, yet incomprehensibly painful memories of the past. To register, visit shearithisrael.org/more-precious.
