Stitch Yourself Into The Fabric Of Shearith Israel
First Meeting: Tuesday, September 17 | 9:30 am | Elias Room
The Sisterhood is excited to announce the relaunching of its historic Sewing Circle. Established in 1896 to sew and distribute garments to the poor, the Sewing Circle expanded its mission to repair synagogue vestments and textiles including Torah cloaks, Tefillin bags, Talitot and more. Never members who enjoy crafting or think they might be interested in stitchery now have a chance to become a link in this historic chain. Long-time members can engage in the same loving service once performed by their mothers and grandmothers.
At our initial meeting, Zachary Edinger will show us what is in need of repair and we will plan how best to fix these items. If you are interested, please RSVP to Rose Edinger at rgedinger@gmail.com, even if you cannot attend the initial meeting, so we can include you when planning future meetings. For further information or to participate in this project, please contact Rose.

Selihot at Shearith Israel
Starting at evening services on Sunday, September 1

The Sephardic custom is to prepare for Rosh Hashanah by reciting Selihot during the entire month of Elul. Unlike other communities, however, the Spanish & Portuguese custom is to recite a very short form of Selihot following Arabi every evening. This custom was a matter of great debate in the 17th & 18th centuries with Rabbi Moses Zacuto and Hayyim Yosef David Azulay (Hid'A) strongly advocating against our custom based on a mystical/kabbalistic understanding of the appropriate time for the recitation of Selihot. As a result, our community is virtually the only one left in the entire world that still recites Selihot in the evening service after Arbi. You can help keep this rare minhag alive by attending our daily evening services.
