Selihot at Shearith Israel
Starting at evening services THIS Sunday, September 1
The Sephardic custom is to prepare for Rosh Hashanah by reciting Selihot during the entire month of Elul. Unlike other communities, however, the Spanish & Portuguese custom is to recite a very short form of Selihot following Arbit every evening. This custom was a matter of great debate in the 17th & 18th centuries with Rabbi Moses Zacuto and Hayyim Yosef David Azulay (Ha’El) strongly advocating against our custom based on a mystical/kabbalistic understanding of the appropriate time for the recitation of Selihot. As a result, our community is virtually the only one left in the entire world that still recites Selihot in the evening service after Arbit. You can help keep this rare minhag alive by attending our daily evening services.
