NEXT SHABBAT
Friday Night Lights Season Premiere
THIS Friday Night, October 25 | Following Evening Services
As Shabbat begins earlier and the nights grow longer stay around for a bit after Friday evening services for an inspir-
ing shiur delivered by Rabbi Soloveichik. There’s no better way to transition from the workweek to Shabbat!

Pack-A-Thon Captains Needed!
The High Holidays are a time of renewing our commit-
ments and investing in hesed and kedaka, and what better
way is there to invest in both than through our Annual
Thanksgiving Pack-A-Thon?
Are you energetic, organized, and a seat-of-your-pants
problem solver?
We need you!
This year’s Pack-A-Thon, which will feed hundreds of
people, needs Captains who can take charge and keep
everything running smoothly throughout this two-hour
event on Thanksgiving morning, featuring hundreds of
volunteers. It is always a major logistical undertaking, but
so very worth it.
If you are interested in stepping up as Captain, contact Barbara Reiss at breiss@shearthisrael.org.

Year of Years Celebration

**Annual Simhat Torah Ice Cream Extravaganza**

**Monday Night, October 21 | Following hakafot**

**Elias Room**

All children, whether registered for the dinner or not, are welcome to partake in our annual ice cream party in the Elias Room, following Simhat Torah hakafot in the sanctuaries. Following dinner, all ages are welcome. As usual, volunteer teen scoopers are needed, so feel free to come by and lend a hand. Dress for the mess!

*Sponsored again by the Haberman and Lustig families.*

**Tot Shabbat Hygiene Alert!**

Stop the spread of germs and help keep our kids healthy! If your child has a runny nose, a cold, or other symptoms, we ask that they stay home that week. Liz may ask you to remove your child from Tot Shabbat if she believes the symptoms may be contagious.

Thank you for your understanding and cooperation.

**Composting of Lulabim and Other Succot Greens**

**Due Monday morning by noon, October 28**

**Bin outside LevY Auditorium**

After Succot, rather than throwing out your lulabim, take advantage of this eco-friendly opportunity and leave your lulabim with us! The NYC Dept of Sanitation (DSNY) will collect our Succot organsics for composting. Leave your lulabim, etrogim, and any other Succot plant material in the box near the water fountain outside LevY Auditorium and we’ll do the rest.

**Community Announcements**

We mourn the passing of our member, David Elias.

Condolesces to Joshua Sauberman on the passing of his grandfa-ther, Jack Rosenzveig.

**Hoshana Rabba Mishmarah-Tikkun**

Saturday Night, October 19 | 9:00 pm

with an introduction from Rabbi Ira Robde

Join us in as we bid farewell to Succot and prepare for Simhat Torah in our stunning Elias Room succah. We will be reading through the texts traditionally prescribed for this occasion, consisting largely of the Book of Deuteronomy followed by the very beginning section of Genesis, as well as the Book of Psalms.
